

Love Is All by Bob Becker © 2010

Verse

No more am I, apart from Sai, I am at one with my Lord Sai
I say I do, remember You, You gave me stars, the sun, and moon
And I Love you Sri Sathya Sai Baba, Love is all Sathya Sai Baba

Verse

You've come to say; "No longer wait"
This is your time, this is your place
Your fears removed, your strength renewed
Your life is Love and Peace and Truth
We Love you Sri Sathya Sai Baba, Love is all Sathya Sai Baba

Verse

You looked upon our souls
And knew who we always were
Long ago and now – we're always made from Love
You drew us close to You, You took our hands in Yours
And gave us all we'll need, for evermore
And we Love you Sri Sathya Sai Baba
Love is all Sathya Sai Baba, Love is all Sathya Sai...

Bridge

Eyes fill with Love for all, hearts break as the weakest fall
Grace lifts us back to You, faith keeps us brave and true
When life ends and this dream is through
We'll wear all our smiles for You, we'll wear all our smiles for You

Instrumental

When life ends and this dream is through
We'll wear all our smiles for You, we'll wear all our smiles for you
For you my Lord, for You
For you my Sai, for You

Verse

You've come to say; "No longer wait"
This is your time, this is your place
Your fears removed, your strength renewed
Your life is Love and Peace and Truth
We Love you Sri Sathya Sai Baba
Love is all Sathya Sai Baba
Love is all Sathya Sai Baba
Love is all Sathya Sai – LOVE IS ALL.
